

♦ 1. Ancient Indian History

- Prehistoric Cultures
 - Sources, Periodization
 - Stone, Bronze, Iron Ages
 - Pastoral & Farming Communities
 - Indus Valley Civilization (IVC)
 - Society, Economy, Religion, Art
 - Vedic Society
 - Early & Later Vedic phases
 - Polity, Economy, Religion
 - Pre-Mauryan Period
 - Second Urbanization, Mahajanapadas
 - Jainism and Buddhism
 - Mauryan Empire
 - Post-Mauryan Developments
 - Gupta Empire
 - Harshavardhana
 - Cultural Contacts with Asia
 - Sangam Age and South Indian Dynasties
-

♦ 2. Medieval Indian History

- Early Medieval Dynasties (750–1200)
 - Rajput, Chalukya, Rashtrakuta, Pallava rule
 - Early Muslim Invasions (Sindh, Ghazni, Ghurid)
 - Delhi Sultanate (1206–1526)
 - Slave, Khalji, Tughlaq, Sayyid, Lodi dynasties
 - Vijayanagar and Bahmani Kingdoms
 - Rise of Mughals
 - Mughal Administration, Society, Religion, Culture
 - Marathas and Shivaji
 - Decline of Mughal Empire
 - Economy, Trade, Artisans
 - Social Structure and Culture
-

♦ 3. Modern Indian History

- Decline of Mughals & Rise of Regional States
- Advent of Europeans
- British Expansion in India
 - Wars (Plassey, Buxar, Mysore, Punjab)
- Revolt of 1857

- Economic Policies of British
 - National Movements (Phases)
 - 1858–1905 (Moderates)
 - 1905–1919 (Extremists, Swadeshi)
 - 1919–1947 (Gandhian, Revolutionary, INA)
 - Social Reform Movements
 - Tribal, Peasant, and Working-Class Movements
 - Press, Education, Women's Role
 - Constitutional Acts till 1947
-

◆ 4. Post-Independence Consolidation

- Integration of Princely States
 - Reorganisation of States
 - Tribal, Caste, Linguistic, Communal Issues
 - Economic Development since 1947
 - Agriculture, Industry, Planning
 - Science & Tech Policies
 - Social Consolidation & National Integration
-

◆ 5. World History

- Renaissance, Reformation, Enlightenment
 - Age of Discovery and Colonialism
 - American, French, Russian Revolutions
 - Unification of Italy & Germany
 - World Wars I & II
 - Cold War & Post-Cold War Developments
 - Decolonization & Rise of USA/China
 - Communism, Capitalism, Socialism
-

◆ 6. Indian Culture

- Architecture: Ancient to Modern
- Sculpture & Painting Schools
- Music, Dance, Theatre, Puppetry
- Languages, Literature
- Religions & Philosophy (Hinduism, Buddhism, Jainism, etc.)
- Bhakti & Sufi Movements
- Indian Cinema, Handicrafts, Fairs, Festivals
- UNESCO Heritage, Legal Provision

◆ 7. GEOGRAPHY – DETAILED TOPIC LISTING

Ⓐ Physical Geography

1. Geomorphology

- Structure of Earth and Seismic Waves
- Plate Tectonics and Continental Drift
- Landforms by Exogenic and Endogenic Forces
- Volcanoes, Earthquakes, Tsunami
- Weathering, Erosion and Mass Movements

2. Climatology

- Composition and Structure of Atmosphere
- Insolation, Temperature, Pressure and Winds
- Humidity, Clouds, Precipitation
- Cyclones: Tropical and Temperate
- Monsoons, Jet Streams, El Niño/La Niña
- World Climatic Regions

3. Oceanography

- Ocean Floor Relief and Features
- Temperature, Salinity, and Density
- Ocean Currents and Tides
- Marine Resources and Ocean Deposits
- Coral Reefs and Marine Ecology

4. Biogeography and Soils

- Ecosystems and Biomes
- Natural Vegetation Types
- Soil Formation and Classification
- Soil Erosion and Conservation

5. Environmental Geography

- Natural Hazards (Earthquakes, Volcanoes, Cyclones, etc.)
 - Conservation of Natural Resources
 - Biodiversity and Sustainable Development
-

⑧ Indian Geography

1. Physical Features

- Geological Structure of India
- Himalayan and Peninsular Regions
- Northern Plains and Coastal Plains
- Islands and Physiographic Divisions

2. Drainage System

- Himalayan and Peninsular Rivers
- River Systems and Patterns
- Interlinking of Rivers

3. Climate

- Factors Affecting Indian Climate
- Indian Monsoon and its Mechanisms
- Seasons of India
- Climatic Regions

4. Soils and Natural Vegetation

- Soil Types and Distribution
- Soil Conservation and Degradation
- Forest Types and Distribution
- Forest Conservation Initiatives

5. Agriculture

- Cropping Seasons and Patterns
- Major Crops and their Conditions
- Agricultural Infrastructure and Reforms
- Government Schemes (PM-KISAN, PMFBY, etc.)

6. Industries and Minerals

- Major Industrial Regions and Corridors
- Mineral Resources and Distribution
- Industrial Policies and PLI Scheme

7. Transport and Infrastructure

- Road, Rail, Air and Water Transport
 - Inland Waterways and Ports
 - PM Gati Shakti, Bharatmala, Sagarmala
-

● Human and Economic Geography

1. Population and Settlements

- Demographic Features and Trends
- Population Density and Distribution
- Migration – Causes and Patterns
- Urbanization and Emerging Challenges

2. Human Development

- Human Development Index and Indicators
- Literacy, Sex Ratio, Ageing Population
- Family Planning and Census Terminology

3. Settlements and Urban Planning

- Types of Rural and Urban Settlements
- Urban Morphology and Growth Patterns
- Smart Cities and Urban Missions

4. Resource Geography

- Land, Water, Energy, and Forest Resources
- Conservation and Sustainable Use
- Renewable and Non-renewable Resources

5. Economic Geography

- Agriculture: Patterns, Productivity, Issues
- Industries: Iron, Steel, Textile, Automobile
- Services and Knowledge Economy
- Trade, Transport, and Communication

⑩ Contemporary and Applied Issues

- Urban Floods, Heatwaves, Landslides
- River Basin Management (e.g., Ganga, Brahmaputra)
- Shrinking Glaciers and Himalayan Vulnerabilities
- Indian Ocean Geopolitics and Maritime Security
- Environmental Conflicts and Resource Disputes
- Smart Agriculture, Climate Resilience, Cryosphere

◆ INDIAN POLITY – CRISP TOPIC LISTING

Ⓐ Constitution and its Development

- Historical Background (1773–1947)
 - Making of the Constitution & Constituent Assembly
 - Salient Features of the Indian Constitution
 - Preamble
-

Ⓑ Union and Its Territory

- Article 1–4
 - State Reorganization and J&K Reforms
-

Ⓒ Fundamental Rights, Duties and DPSPs

- Fundamental Rights (Art. 12–35)
 - Directive Principles of State Policy (Art. 36–51)
 - Fundamental Duties (Art. 51A)
-

Ⓓ Union Government

- President and Vice President
 - Prime Minister and Council of Ministers
 - Parliament: Structure, Powers, Budget
 - Parliamentary Committees and Privileges
-

Ⓔ State Government

- Governor
 - Chief Minister and State Council of Ministers
 - State Legislature (Unicameral/Bicameral)
-

Ⓕ Judiciary

- Supreme Court: Jurisdiction, Powers, Collegium
 - High Courts and Subordinate Courts
 - Judicial Review and Judicial Activism
 - Tribunals and Judicial Reforms
-

G Federal Structure

- Centre–State Relations: Legislative, Administrative, Financial
 - Inter-State Relations: River Disputes, Zonal Councils
 - Cooperative and Competitive Federalism
-

H Emergency Provisions

- National Emergency (Art. 352)
 - President's Rule (Art. 356)
 - Financial Emergency (Art. 360)
-

I Constitutional and Statutory Bodies

- Constitutional Bodies:
 - Election Commission, UPSC, Finance Commission, CAG, etc.
 - Statutory Bodies:
 - NHRC, CIC, CVC, Lokpal, NITI Aayog
-

J Local Self Government

- Panchayati Raj (73rd Amendment)
 - Urban Local Bodies (74th Amendment)
 - Devolution of Powers and Finances
-

K Election and Representation

- Electoral Process in India
 - Representation of People Act
 - Electoral Reforms and EVMs
 - Electoral Bonds and Voter Awareness
-

L Amendment Process and Constitutional Doctrines

- Constitutional Amendment Procedure (Art. 368)
- Important Amendments (42nd, 44th, 73rd, 74th, etc.)
- Doctrine of Basic Structure
- Doctrine of Separation of Powers, Rule of Law

M Miscellaneous Topics

- Comparison with other Constitutions (USA, UK)
 - Role of Civil Services in Democracy
 - Secularism and Citizenship Issues
 - Parliamentary vs Presidential System
-

◆ 9. INDIAN ECONOMY – DETAILED TOPIC LISTING

A Basic Concepts of Economy

- National Income and Related Aggregates (GDP, GNP, NDP, etc.)
 - Inflation and Price Indices (CPI, WPI)
 - Monetary vs Fiscal Policy
 - Micro vs Macro Economics
-

B Economic Planning and Development

- Planning Commission to NITI Aayog
 - Five-Year Plans (Objectives & Achievements)
 - Poverty and Unemployment
 - Human Development Indicators (HDI, MPI)
-

C Agriculture and Allied Sectors

- Land Reforms and Green Revolution
 - Cropping Patterns and Major Crops
 - Agricultural Marketing and MSP
 - Government Schemes: PM-KISAN, PMFBY
 - Agri-Tech and Irrigation
-

D Industry and Infrastructure

- Industrial Policies (1948, 1956, 1991)
- Make in India, Start-up India, PLI
- MSME Sector and Challenges

- Infrastructure (Power, Roads, Railways, Ports)
-

Ⓔ Services Sector and Knowledge Economy

- IT & ITES, Tourism, Education, Health
 - Digital Economy and FinTech
 - Gig Economy and Emerging Trends
-

Ⓕ Monetary Policy and Banking

- RBI: Functions and Instruments (CRR, SLR, Repo)
 - Monetary Policy Committee (MPC)
 - Banking System: NPAs, Bank Mergers
 - Financial Inclusion: Jan Dhan, UPI, Mudra
-

Ⓖ Fiscal Policy and Taxation

- Union Budget and Fiscal Deficit
 - FRBM Act
 - Direct and Indirect Taxes (GST, Corporate Tax)
 - Tax Reforms and Evasion
-

Ⓗ External Sector and Trade

- Balance of Payments (BoP)
 - Exchange Rate Systems
 - India's Foreign Trade & Trade Agreements
 - WTO and FTAs
-

Ⓘ Foreign Investment and Capital Market

- FDI, FPI, ECBs
 - SEBI and Regulatory Framework
 - Stock Exchanges and Mutual Funds
-

Ⓢ Government Schemes and Welfare Economics

- Poverty Alleviation (MGNREGA, NSAP)
 - Social Security (PMJJBY, PMSBY)
 - Rural and Urban Missions (PMAY, Smart Cities)
-

K Inclusive Growth and Sustainable Development

- Financial and Social Inclusion
 - Gender Budgeting
 - Green Economy and Climate Finance
-

L Contemporary Economic Issues

- Post-COVID Recovery
 - Cryptocurrency and Digital Rupee
 - Global Inflation, Fed Policy
 - Indian Economy and Global Indices
-

◆ ENVIRONMENT & ECOLOGY – CRISP TOPIC LISTING

A Ecology and Ecosystem

- Concepts of Ecology
 - Structure and Functions of Ecosystems
 - Types of Ecosystems
 - Ecological Succession
 - Food Chains, Food Webs & Energy Flow
-

B Biodiversity

- Types and Importance of Biodiversity
 - Biodiversity Hotspots and Mega-Diversity Zones
 - Threats to Biodiversity
 - Conservation Strategies (In-situ & Ex-situ)
 - Protected Areas (National Parks, Sanctuaries, Ramsar Sites, etc.)
-

C Climate Change and Global Warming

- Greenhouse Effect and GHGs
 - Impacts of Climate Change
 - UNFCCC, IPCC, Kyoto Protocol, Paris Agreement
 - India's Climate Commitments (NDCs, Net Zero)
-

D Environmental Pollution

- Types of Pollution (Air, Water, Soil, Noise, Radiation)
 - Major Pollutants and their Impacts
 - Pollution Control Technologies and Measures
-

E Environmental Governance

International

- UNEP, IPCC, IUCN, CITES, Ramsar, Montreal Protocol

National

- MoEFCC, CPCB, SPCBs, NGT
 - Environmental Laws: EPA 1986, WPA 1972, FCA 1980, BDA 2002
-

F Sustainable Development

- Concepts and Goals (SDGs)
 - Environmental Impact Assessment (EIA)
 - Green Economy and Green Technologies
-

G Disaster and Climate Resilience

- NDMA and Disaster Management Framework
 - Environmental Hazards: Floods, Forest Fires, Glacial Retreat
 - Climate Adaptation and Resilience Strategies
-

H Environment and Economy

- Green GDP, Carbon Trading, ESG
- Natural Resource Accounting

❶ Government Schemes and Initiatives

- NAPCC and 8 Missions
- CAMPA, FAME, GOBAR-DHAN, LiFE
- National Biodiversity Mission
